AJ coffee pot

by Arne Jacobsen

The classic coffee pot designed by Arne Jacobsen in 1967 was one of the first designs of the Cylinda-Line range. This was modern, cutting edge design in its day and rapidly made the coffee pot an icon. With its clean lines and design, this coffee pot remains stylish decade after decade. Use it for serving coffee or hot chocolate, while appreciating its attractive cylindrical shape.

USP

- Satin-finish stainless steel coffee pot
- Simple design that remains stylish decade after decade
- Sculptural, decorative coffee pot
- Use for serving hot chocolate

Technical data

Item no.: 01-2

Colour: Satin finish
Height: 20 cm
Width: 10 cm

AJ Serving tray

by Arne Jacobsen

Attractive serving tray in the modern, cylindrical Cylinda-Line range. With its stylish design, this tray is a discreetly decorative addition to the table. The tray has practical handles that elegantly follow the cylindrical shape and make it easy to lift it up from the table. The serving tray also looks amazing teamed with all the other items of the Cylinda-Line bar set.

USP

- Satin-finish stainless steel serving tray
- Simple cylindrical design that remains stylish decade after decade
- The handles make it easy to pick up the tray, carry it and put it down
- Hygienic steel surface – easy to clean with a damp cloth

Colour: Satin finish
Height: 6.3 x 2 cm
Width: 2 x 2 cm

AJ Salad Servers

by Arne Jacobsen

Attractive, slender salad servers designed by Arne Jacobsen for the cylindrical Cylinda-Line range. The long, slender shaft of the salad servers contributes to their elegant appearance and its length is practical, as the servers fit small or large salad bowls. The cylindrical styling is evident in the handling surface of the servers. To create a completely clean-cut look, add the simple salad bowl, designed to perfectly complement the size of the salad servers.

USP

- Slender salad servers in satin-finish stainless steel
- The simple cylindrical design is echoed in the handling surfaces
- A long shaft ensures that the salad servers fit small or large salad bowls
- Dishwasher safe

Technical data

Item no.: 023-1
Material: 18/8 Stainless steel
Colour: Satin finish
Length: 31 cm
Width: 5 cm

AJ Salad Bowl

by Arne Jacobsen

Aesthetic, clean lines – keeping things simple. A cylindrical salad bowl with all superfluous details stripped away. The bowl looks magnificent with its stainless steel satin finish; its simple shape is decorative without stealing the limelight from the salad accompaniment to the meal. Add the finishing touch with the matching salad servers for an elegant twist to serving at the table.

USP

- Minimalist salad bowl in satin-finish stainless steel
- An attractive way to serve salad or potatoes, etc.
- The simplicity of the bowl's styling ensures the spotlight is on the food
- Dishwasher safe

Technical data

Item no.: 022-1
Material: 18/8 Stainless steel
Colour: Matt finish
Height: 13.4 cm
Width: 24.3 cm

AJ Salt and Pepper Mill

by Arne Jacobsen

An elegant salt or pepper mill in the Cylinda-Line range by Arne Jacobsen. Simple, clean lines in stainless steel with an attractive satin-finish exterior. The mill has a ceramic CrushGrind® mechanism which makes light work of grinding salt or pepper and includes fine or coarse settings according to taste.

USP

- Minimalist salt or pepper mill in satin-finish stainless steel
- CrushGrind® mill. The degree of coarseness can be set individually.
- Easy to clean with a damp cloth

Technical data - salt

Item no.: 017-3

AJ Ice bucket with lid

by Arne Jacobsen

A strikingly elegant ice bucket in an attractive, minimalist design. Arne Jacobsen produced a bar range including ice buckets in a choice of two sizes as part of his Cylinda-Line range. The shape is cylindrical and the ice bucket positively sparkles in its iconic status, whether on the bar or on the table. Make sure you have plenty of ice cubes on hand for all your guests. Choose from 1 l or 2.5 l capacity. Complete the look with AJ ice tongs in the same simple design.

USP

- Minimalist ice bucket with lid and handle
- The lid ensures the ice cubes stay cold longer
- Available in two sizes, for 1 l or 2.5 l
- Dishwasher safe

Technical data 1.0 l

Item no.: 05-1

Height: 11 cm
Width: 13 cm

Technical data 2.5 l

Item no.: 05-2
Material: 18/8 Stainless steel
Colour: Satin finish
Height: 14.5 cm
Width: 18 cm

AJ Ice tongs

by Arne Jacobsen

Clean-cut ice tongs in satin-finish stainless steel. Elegant, practical ice tongs with useful holes in the "grip end" to catch hold of the ice and also allow excess melting ice to flow back into the ice bucket. The ice tongs match the small and large ice buckets and can easily be affixed to the ice bucket.

USP

- Simple tongs for ice cubes
- The cylindrical shape is echoed in the handle of the ice tongs
- Gripper with holes to allow the water to run off
- Dishwasher safe

Technical data

Item no.: 015-1
Material: 18/8 Stainless steel
Colour: Satin finish
Height: 1.2 cm
Length: 17.5 cm
Width: 4 cm

AJ Cocktail Shaker

by Arne Jacobsen

A beautiful, classic cocktail shaker for making delicious cocktails in your bar at home. Now your cocktails can be shaken to perfection. The cylindrical shaker is stylistically consistent in satin-finish stainless steel and looks really neat and simple. The lid fits the container perfectly and slips easily into position ready for you to shake your cocktail. One attractive element of the overall Cylinda-Line bar range.

USP

- Minimalist cocktail shaker in a cylindrical design
- The lid slips easily into position
- Use for shaking and/or chilling cocktails
- Dishwasher safe

Technical data

Item no.: 016-1
Material: 18/8 Stainless steel
Colour: Matt finish
Height: 22.5 cm
Width: 8.5 cm

AJ Ashtray

by Arne Jacobsen

The familiar, classic revolving ashtray by Arne Jacobsen. A practical ashtray with a revolving lid that covers cigarette butts and eliminates odour. The cylindrical design makes this ashtray a design object in its own right. Use as an ashtray or for stones and shells when serving pistachio nuts or olives. Available in two sizes.

USP

- World-famous revolving ashtray in a minimalist design
- The revolving lid seals in butts and odour
- Can be used to conceal toothpicks, pistachio shells or olive stones
- Dishwasher safe
